

Locker Rentals at Virginia Western

Day Locker Usage

There are a number of day use lockers in the Fitness Center locker rooms available for no charge. Patrons provide their own locks for day-use lockers. All locks on a day use locker must be removed by the e end of the day upon facility closure or belongings are removed and placed in lost & found.

Renting a Locker

We currently have lockers available for rental for Virginia Western students, faculty and staff. Lockers #1 -10 out of the 30 lockers in each locker room could be available for semester rental. In order to rent a locker the patron would fill out a Locker Rental Agreement form at the Front Desk. Upon approval by the Fitness Center, the patron would bring a copy of the Locker Rental Agreement form to the Cashiers Office to make payment. The patron would bring their receipt back to the Fitness Center Front Desk, at which time they would be issued a lock and combination. All combinations would be kept locked securely in Dani's office during the semester. A \$10 fee would be charged for a lost or unreturned lock.

Renewals

An e-mail reminder to renew lockers would be sent to current renters up to two weeks in advance of the expiration date. Student, faculty and staff wishing to renew would be allowed to keep their current locker, but we would note the closure of the Fitness Center over the Holiday Breaks so they know they should remove any belongings they would need access to during that time.
